

Prayash Das

Computer Science Engineering (CSE) | 1st Year Student

Dream park apartment, Sonarpur Station Road, Kolkata-700103, India | +91 9330277325 | prayashpersonal@gmail.com

Profile

Motivated Computer Science student. Passionate about learning fast, building real-world projects, and using modern tools (including AI) to work efficiently. Actively preparing for internships and high-impact roles.

Skills

• DEVELOPMENT

- Figma
- HTML
- CSS
- JavaScript (basics)
- React.js

• PROGRAMMING

- Python
 - Numpy
 - Matplotlib
 - Pandas
- JAVA (basics)

• SOFT SKILLS

- Fast Learner
- Clear communication
- Strong curiosity and self-driven

Projects

• Personal portfolio website

- Designed and developed a personal portfolio website with a focus on clean UI and user-friendly design
- Emphasised simplicity and performance over unnecessary complexity

• Python mini projects

- Used NumPy and Matplotlib for basic computational and visualisation tasks.
- Built a Python-based password generator allowing users to create secure passwords with customisable length and complexity.
- Created a student result management system in Python to automate grade calculation and report generation.

Education

B.Tech in Computer Science Engineering

VIT Bhopal University | Bhopal, Madhya Pradesh, India | 2025-2029

(Currently pursuing)

+2 from Central Board of Secondary Education (CBSE)

South Point High School | Kolkata, West Bengal, India | 2023-2025

Activities and Interests

- **Music enthusiast:** Vocalist and multi-instrumentalist (Guitar, Piano, Harmonium, Flute, Cajon).
- **Passionate traveler:** I have strong interest in exploring places, meeting new people, new cultures.
- **Technology enthusiast:** Aspiring product builder, currently focused on gaining hands-on industry experience and technical depth.
